Note from the President

Show season is now in full swing after a long, hot summer! Check our calendar on our new, updated website www.floridahorsetrialsassn.com for further information!

We have a new sanctioned venue in Odessa, Fl. (near Tampa) - 3 Wish Stables, run by Collette Zimmer. They offer dressage classes at all levels. We sent out a flyer yesterday.

The Jennifer Holling clinic is all set for Nov. 8th at Barnstaple South. We look forward to having Jen back this year with her knowledge, thoughtful insight, and delightful humor to work with all levels from Starter to Training.

Majestic Oaks will have their recognized event on Saturday, November 7th. Please volunteer if you are able - it takes a village to run a recognized event, and I'm sure they would appreciate any help they can get!

Barnstaple South needs more entries for their Halloween Derby this Saturday, October 17th. They are taking entries on Evententries.com - Costumes are encouraged, so make it a fun day and come join in!

The Educational 3-Day event will take place at FHP Nov. 11-22. They can always use volunteers too! Come watch riders do the long format on XC day and observe the vet box activities
